Thanks Dan, I'll call CATS.

Question for you, I saw your branch is using Planner for cases – do you have notifications set up for when a task is due? I'm looking into using Planner and want to get a reminder when a task is due.

Thanks,

Michele

Just wanted to let y'all know that your signature shows as "invalid".

It's not anything needed for this proposed AOC, but I had to call CATS and get something reset to have my signature corrected.

Didn't see Mary Jo's name on the route slip so sending it back to you signed.

Mita,
Here is the routing for the Pine Hope AOC before we send it to Respondent for review and signature.
Please forward this to Mary Jo once you sign it.

Thanks,

Michele

I've signed the routing slip and added MJ's name b/c according to our SOP this routes to MJ then back to me for conversion to pdf and signature (seems a little clunky).
MJ's review may need to be sooner so it doesn't have to double back to me – (I'm noting this for SOP tweaking)

Michele, please review, push to Mita and ask her to send to MJ.

Thanks,

Dan
